

# oxford university compsoc

## michaelmas 2012

- Week 1**    **Welcome Drinks** - Wed 10th Oct - 8PM - St Catz PDR  
Come along to the first social of the year, where you can meet the committee and existing members of CompSoc, and get a good chance to find out exactly what CompSoc is about. There will also be refreshments and snacks.
- Week 2**    **Morgan Stanley Talk** - Wed 17th Oct - 8:30PM - St Catz JCR Lecture Theatre  
Morgan Stanley will be giving a talk on security where you will be given a chance to try and hack into their web app. There will be drinks afterwards, and possible pizza.
- Week 3**    **Films Night** - Wed 24th Oct - 7PM - Venue TBD  
There will be an online Poll to decide the film, and there will be pizza and refreshments.
- Week 4**    **Netcraft: Defence Against the Dark Arts** - Wed 31st Oct - Evening - Venue TBD  
Netcraft will be giving a talk on Phishing, Hacking and Internet Based Fraud.
- Week 5**    **Deloitte - Dinner & Drinks** - Wed 7th Nov - Evening - Venue TBD  
Members Only - Deloitte will be hosting a meal for members, attendance is free, however places are limited, so RSVP by Wed Week 4, details on website.
- Week 6**    **Games Night with BoAML** - Wed 14th Nov - 7PM - Venue TBD  
Bank of America are sponsoring a LAN Party this term, think everything from Team Fortress 2 to Age of Empires (and many other multiplayer games). Once again, pizza and refreshments will be provided, and BoAML will be available to talk to as well.
- Week 7**    **Google: Privacy and why it's hard** - Wed 21st Nov - Evening - Venue TBD  
An engineer from Google (who is an Oxford alumnus and member of CompSoc) will be coming to give a talk on privacy and Google, more details on website.
- Week 8**    **Termly General Meeting** - Wed 21st Nov - Evening - Venue TBD  
Refreshments and pizza will be provided.
